

Tariff guide 2026 - MARTINIQUE SHIPYARD (Excluding Complex Vessels)

Cost applicable from January 1 to December 31, 2026. Document updated on December 16, 2025.

- In the case of work carried out within the premises of the Martinique Shipyard concession and ordered directly by the Shipowner or the client from a third-party company external to the shipyard:

The Shipowner or the client undertakes to provide the quotations and invoices issued by its subcontracting company. A contribution corresponding to a margin coefficient of 27% (total amount divided by 0.73) applied to these invoices will be charged to the Shipowner.

The intervening company must be approved in advance by the shipyard and must comply with the latter's rules and instructions.

- In the event that the dock is occupied for more than 45 days, the vessel may be refloated for co-docking at its own expense.

DIMENSIONS

Length of the dock: 200 m

Width of the dock: 21 m

Maximum draft: 7.6 m

1- Docking operations (dry-docking, re-floating, excluding keel blocks installation)

1.1 - Docking operations (dry-docking, re-floating)

Tariff number	Description	Base	Unit	2026 Unit price excluding VAT
	Cost of the operation (minimum 3500 euros)	1	linear meter	126,10 €

1.2- Requirement: ship alone in the dock

Tariff number	Description	Base	Unit	2026 Unit price excluding VAT
	Majoration	1	Ship	50%

1.3- Keel blocks installation

Tariff number	Description	Base	Unit	2026 Unit price excluding VAT
	Carrying out the keel blocks installation based on the 'Docking plan' provided by the owner	1		Upon quotation

1.4 - Additional services to the docking maneuver

Tariff number	Description	Base	Unit	2026 Unit price excluding VAT
	Diver assistance during docking or re-floating	1	operation	2 269,40 €

1.5- Gangway

Tariff number	Description	Base	Unit	2026 Unit price excluding VAT
	Gangway installation	1	operation	420,30 €
	Gangway rental	1	day calendar	52,60 €
	Safety net underneath gangway installation	1	operation	157,60 €

Comments

Scope of responsibilities :

- Contradictory acceptance of the docking plan and keel blocks installation in the dock
- Docking and re-floating under the coordination of the Martinique Shipyard dockmaster and the ship's captain
- Mooring lines on the dry dock side: Martinique Shipyard
- Coordination of dry dock operations: Martinique Shipyard dockmaster
- Scaffolding for gangway not included
- Pilot/Tugging/ Mooring ordered and invoiced by the port agent

2- Drydock stay

2.1- Cleaning of the dock

Tariff number	Description	Base	Unit	2026 Unit price excluding VAT
	Cleaning of the drydock before dry-docking	1	operation	1 786,10 €
	Intermediate cleaning of dock and/or before refloating if necessary	1	operation	Upon quotation

2.2- Drydocking

Tariff number	Description	Base	Unit	2026 Unit price excluding VAT
	Dry dock price per day (minimum €550)	1	linear meter	15,80 €
	Environmental contribution	1	day	45,00 €
	Delay penalties for failure to comply with the initial schedule	1	calendar day	5 000,00 €

Comments

- The day of the drydocking operation is not charged;
- The day of the refloating operation is charged.

3- Alongside stay

Tariff number	Description	Base	Unit	2026 Unit price excluding VAT
	Ship length <40 m (min. €210)	1	linear meter	7,35 €
	40m < Ship length <70 m	1	linear meter	6,30 €
	70m < Ship length	1	linear meter	5,25 €
	Delay penalties for failure to comply with the initial schedule	1	calendar day	2 000,00 €

4- Miscellaneous Services in Drydock or at alongside

4.1- Electrical Connection - Shore connection/disconnection up to 400 A

Tariff number	Description	Base	Unit	2026 Unit price excluding VAT
	Shore connection 400 V - 50 Hz	1	operation, per electric line	473,00 €
	Electric consumption	1	KWh	0,45 €
	Electrical grounding	1	operation	263,00 €

Comments

- Ship cable will be used. Shipyard cable rental price upon consultation
- Connection to the ship's main switchboard is done by the crew.

4.2- Various Fluid Connections

Tariff number	Description	Base	Unit	2026 Unit price excluding VAT
	Installation of fresh water connection with water meter and distribution manifold	1	operation	157,60 €
	Fresh water consumption	1	m3	6,40 €
	Connection or disconnection of fire line	1	operation	262,70 €
	Maintenance of fire line pressure	1	day calendaire	63,10 €
	Cooling water connection or disconnection to the ship	1	Connection	262,70 €
	Connection to seawater discharge recovery system in dock	1	Connection	262,70 €
	Cooling line onboard kept under pressure (V < 70m ³ /H)	1	day calendaire	63,10 €
	Cooling line onboard kept under pressure (140m ³ /H > V > 70m ³ /H)	1	day calendaire	126,10 €
	Grey water and black water discharge connection :	1	operation	367,80 €
	To supply a cubic container with a pump in the drydock bottom (grey and black water)	1	operation	1 576,00 €

Comment

- The electrical consumption for cooling and pumping systems will be invoiced based on actual usage and is not included in the price.

4.3- Waste disposal

Tariff number	Description	Base	Unit	2026 Unit price excluding VAT
	Supply Skip waste (10m3)	1	operation	157,60 €
	Skip waste rental	1	day calendaire	21,10 €
	Transport to processing plant	1	operation	157,60 €
	Disposal Common Industrial Waste (CIW)	1	Ton	252,20 €
	Disposal Ferrous waste	1	Ton	100,00 €
	Waste sort due to non respect CIW/SIW	1	operation	1 313,30 €

4.4- Lifting Services

Tariff number	Description	Base	Unit	2026 Unit price excluding VAT
	Dock crane for vessel needs*	1	hour	289,00 €

Comments

- Minimum charge for port crane: 2 hours minimum
- The crane is provided with a hook, chain, and operator. Rigger and rigging equipment are not included.

4.5- Security and Provision of Shipowner's Office

Tariff number	Description	Base	Unit	2026 Unit price excluding VAT
	Assistance security ISPS - Yard guarding 24h/7J	1	day	750,00 €
	Security contribution (crew > 8 people)	1	day	132,00 €
	Security contribution (crew < 8 people)	1	day	66,00 €
	Badge (for any person outside the shipyard)*	1	Badge	53,00 €

Comments

- Any lost badge will be charged €150 excluding VAT.

4.6- Operations surcharge

Tariff number	Description	Base	Unit	2026 Unit price excluding VAT
	Surcharge for operations during night hours (22:00 - 06:00) and Saturdays	1	operation	100%
	Surcharge for operations on Sundays and public holidays	1	operation	100%

Tariff guide 2026 - MARTINIQUE SHIPYARD
Complex Vessels (offshore, research vessel, military vessel...)

Cost applicable from January 1 to December 31, 2026. Document updated on December 16, 2025.

- In the case of work carried out within the premises of the Martinique Shipyard concession and ordered directly by the Shipowner or the client from a third-party company external to the shipyard:

The Shipowner or the client undertakes to provide the quotations and invoices issued by its subcontracting company. A contribution corresponding to a margin coefficient of 27% (total amount divided by 0.73) applied to these invoices will be charged to the Shipowner.

The intervening company must be approved in advance by the shipyard and must comply with the latter's rules and instructions.

- The rates listed in this schedule are subject to annual revision on January 1st. The yearly increase ranges between 2% and 4%. This increase does not apply to consumable supplies such as water, electricity, or any other similar provisions, as well as waste treatment.

- The margin coefficient applied to subcontractors quotations will remain unchanged over the next three years (2026, 2027 and 2028) : the fixed project margin is maintained, and only the annual variation in subcontractor rates will be passed on.

- The client or the shipowner is authorized to carry out, directly and without any surcharge, only the operations pertaining to the following areas: weapons systems, communication systems, and radar detection equipment.

Any other service, technical intervention, or operation performed on the vessel, not expressly listed above, must either be carried out by Martinique Shipyard or be subject to a prior written authorization issued by Martinique Shipyard.

- In the event that the dock is occupied for more than 45 days, the vessel may be refloated for co-docking at its own expense.

DIMENSIONS

Length of the dock: 200 m

Width of the dock: 21 m

Maximum draft: 7.6 m

1- Docking operations (dry-docking, re-floating, excluding keel blocks installation)

1.1 - Docking operations (dry-docking, re-floating)

Tariff number	Description	Base	Unit	2026 Unit price excluding VAT
	Cost of the operation (minimum 3500 euros)	1	linear meter	157,70 €

1.2- Requirement: ship alone in the dock

Tariff number	Description	Base	Unit	2026 Unit price excluding VAT
	Majoration	1	Ship	50%

1.3- Keel blocks installation

Tariff number	Description	Base	Unit	2026 Unit price excluding VAT
	Carrying out the keel blocks installation based on the 'Docking plan' provided by the owner	1		Upon quotation

1.4 - Additional services to the docking maneuver

Tariff number	Description	Base	Unit	2026 Unit price excluding VAT
	Diver assistance during docking or re-floating	1	operation	2 836,80 €

1.5- Gangway

Tariff number	Description	Base	Unit	2026 Unit price excluding VAT
	Gangway installation	1	operation	525,40 €
	Gangway rental	1	day calendar	65,80 €
	Safety net underneath gangway installation	1	operation	197,00 €

Comments

Scope of responsibilities :

- Contradictory acceptance of the docking plan and keel blocks installation in the dock
- Docking and re-floating under the coordination of the Martinique Shipyard dockmaster and the ship's captain
- Mooring lines on the dry dock side: Martinique Shipyard
- Coordination of dry dock operations: Martinique Shipyard dockmaster
- Scaffolding for gangway not included
- Pilot/Tugging/ Mooring ordered and invoiced by the port agent

2- Drydock stay

2.1- Cleaning of the dock

Tariff number	Description	Base	Unit	2026 Unit price excluding VAT
	Cleaning of the drydock before dry-docking	1	operation	2 232,70 €
	Intermediate cleaning of dock and/or before refloating if necessary	1	operation	Upon quotation

2.2- Drydocking

Tariff number	Description	Base	Unit	2026 Unit price excluding VAT
	Dry dock price per day (minimum €550)	1	linear meter	19,80 €
	Environmental contribution	1	day	56,25 €
	Delay penalties for failure to comply with the initial schedule	1	calendar day	5 000,00 €

Comments

- The day of the drydocking operation is not charged;
- The day of the refloating operation is charged.

3- Alongside stay

Tariff number	Description	Base	Unit	2026 Unit price excluding VAT
	Ship length <40 m (min. €210)		linear meter	9,19 €
	40m < Ship length <70 m		linear meter	7,88 €
	70m < Ship length		linear meter	6,57 €
	Delay penalties for failure to comply with the initial schedule	1	calendar day	2 000,00 €

4- Miscellaneous Services in Drydock or at alongside

4.1- Electrical Connection - Shore connection/disconnection up to 400 A

Tariff number	Description	Base	Unit	2026 Unit price excluding VAT
	Shore connection 400 V - 50 Hz	1	operation, per electric line	591,30 €
	Electric consumption	1	KWh	0,56 €
	Electrical grounding	1	operation	328,80 €

Comments

- Ship cable will be used. Shipyard cable rental price upon consultation
- Connection to the ship's main switchboard is done by the crew.

4.2- Various Fluid Connections

Tariff number	Description	Base	Unit	2026 Unit price excluding VAT
	Installation of fresh water connection with water meter and distribution manifold	1	operation	197,00 €
	Fresh water consumption	1	m3	8,00 €
	Connection or disconnection of fire line	1	operation	328,40 €
	Maintenance of fire line pressure	1	day calendaire	78,90 €
	Cooling water connection or disconnection to the ship	1	Connection	328,40 €
	Connection to seawater discharge recovery system in dock	1	Connection	328,40 €
	Cooling line onboard kept under pressure (V < 70m ³ /H)	1	day calendaire	78,90 €
	Cooling line onboard kept under pressure (140m ³ /H > V > 70m ³ /H)	1	day calendaire	157,70 €
	Grey water and black water discharge connection :	1	operation	459,80 €
	To supply a cubic container with a pump in the drydock bottom (grey and black water)	1	operation	1 970,00 €

Comment

- The electrical consumption for cooling and pumping systems will be invoiced based on actual usage and is not included in the price.

4.3- Waste disposal

Tariff number	Description	Base	Unit	2026 Unit price excluding VAT
	Supply Skip waste (10m3)	1	operation	197,00 €
	Skip waste rental	1	day calendaire	26,40 €
	Transport to processing plant	1	operation	197,00 €
	Disposal Common Industrial Waste (CIW)	1	Ton	315,30 €
	Disposal Ferrous waste	1	Ton	125,00 €
	Waste sort due to non respect CIW/SIW	1	operation	1 641,70 €

4.4- Lifting Services

Tariff number	Description	Base	Unit	2026 Unit price excluding VAT
	Dock crane for vessel needs*	1	hour	361,30 €

Comments

- Minimum charge for port crane: 2 hours minimum
- The crane is provided with a hook, chain, and operator. Rigger and rigging equipment are not included.

4.5- Security and Provision of Shipowner's Office

Tariff number	Description	Base	Unit	2026 Unit price excluding VAT
	Assistance security ISPS - Yard guarding 24h/7j	1	day	937,50 €
	Security contribution (crew > 8 people)	1	day	165,00 €
	Security contribution (crew < 8 people)	1	day	82,50 €
	Badge (for any person outside the shipyard)*	1	Badge	66,30 €

Comments

- Any lost badge will be charged €150 excluding VAT.

4.6- Operations surcharge

Tariff number	Description	Base	Unit	2026 Unit price excluding VAT
	Surcharge for operations during night hours (22:00 - 06:00) and Saturdays	1	operation	100%
	Surcharge for operations on Sundays and public holidays	1	operation	100%

Land-based rates

Cost applicable from January 1 to December 31, 2026. Document updated on December 16, 2025.

1.1 - HANGARS

Tariff number	Description	Unit	Bassin de Radoub	Quai Ouest	Quai Grand Cargos
	Old hangar	€/m ² /month	3,06	3,06 €	3,06 €
	Hangar in fair to good condition	€/m ² /month	4,28	4,28 €	4,28 €
	New or re-newed hangar	€/m ² /month	7,59	6,34 €	7,59 €
